ABOUT THE COMPANY

Nine years of protecting what matters most.

Thank you for the opportunity to introduce ourselves. We are one of the leading organizations in fire protection systems and related services on a turnkey basis.

Fire Master Safety & Security Co. W.L.L. was established in 2017 in the Kingdom of Bahrain as a specialist contractor in fire-protection systems and integrated security solutions. From our earliest engagement, we have designed, supplied, installed, commissioned and maintained systems across commercial, residential, industrial, hospitality and healthcare sectors.

Our delivery is fully backed by a team of qualified engineers, supervisors and tradesmen who carry each project from concept design through to commissioning — and on through lifecycle maintenance.

Our customers sit at the center of our business, and we pursue every engagement with the highest standard of technical integrity and customer satisfaction.

*Design through
commissioning—
engineered as one
discipline*

WHAT WE DELIVER

Our Services

Complete fire-protection delivery – one accountable partner.

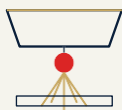

Fire-Fighting Systems

Design, supply, installation and commissioning of hydrant, sprinkler, hose-reel, fire-pump and dry-riser systems compliant with NFPA and Bahrain Civil Defence standards.

Fire-Alarm & Detection

Conventional and addressable fire-alarm systems, gas detection, aspirating smoke detection, beam and heat detectors across residential, commercial and industrial facilities.

Kitchen-Hood & Gas Suppression

Wet-chemical kitchen-hood suppression systems, LPG-leak detection, and clean-agent suppression for server rooms and special-hazard zones.

Emergency Voice & PA

Voice-evacuation, public-address and mass-notification systems integrated with fire-alarm panels for clear, code-mandated occupant communication.

AMC & Maintenance

Annual maintenance contracts, periodic inspection, refilling and the statutory compliance documentation that owners and Civil Defence require.

MISSION & VISION

Key to Success

MISSION

To continue the growth cycle by identifying every opportunity and implementing it with professional business ethics, integrity and reliability.

VISION

To be the pioneer and leader of commerce and industry in the Kingdom of Bahrain and lead the nation by example with a futuristic vision, innovative thinking and dynamic implementation that delivers excellence at every step forward.

A leading commercial organization in the Kingdom, Fire Master W.L.L. provides quality products and impeccable service. Having achieved many accolades and recognitions towards maintaining business excellence, the group continues its growth in newer areas and opportune sectors. Joining hands in partnership with many organizations, entities and individuals across the globe, the group always maintains its proficient standards of operation, benefiting all entities involved.

A responsible and committed corporate citizen, Fire Master W.L.L. continues its commitment to the Kingdom of Bahrain with social programs and projects, as well as providing the local talent pool with rewarding career opportunities.

Key Personnel & Experience

We have a dedicated team of experienced personnel who have earned 6 to 20 years of professional experience in the Gulf, involved with our various prestigious projects in Bahrain. Our firefighting division has a highly skilled workforce motivated to fulfil project requirements in terms of quality, timely completion, cost parameters and safety aspects. The organization chart is attached for reference.

THE FIRE MASTER DIFFERENCE

Why Choose Us

Six reasons our clients return – engagement after engagement.

01**Turnkey Delivery**

A single accountable partner from concept design through commissioning and into lifecycle maintenance — one contract, one team, one standard of accountability.

02**Code & Civil-Defence Compliance**

Every system designed to NFPA, BS and Kingdom of Bahrain Civil Defence technical requirements, supported by full as-built and compliance documentation.

03**Qualified Team**

Engineers, supervisors and tradesmen trained on international equipment standards and supervised through every stage of installation and commissioning.

04**Premium Equipment**

UL-listed fire pumps, certified panels and approved materials sourced from established manufacturers — never a substitute for the right component.

05**Sector Depth**

Proven delivery across Schools, healthcare, industrial, retail, residential and infrastructure — bringing cross-sector insight to your project's particulars.

06**Customer-First Culture**

Every engagement centered on client outcomes; the reason our work wins repeat business across both private owners and institutional clients.
